Approve and authorize the Chairman to execute a grant agreement with the Florida Division of Emergency Management in acceptance of \$283,016.00 through their Hazard Mitigation Grant Program.

County-wide

Jennifer Bero

BACKGROUND:

On March 24, 2009, the Board of County Commissioners approved for staff to submit an application to the Florida Division of Emergency Management (FDEM) requesting up to \$315,000.00 through their Hazard Mitigation Grant Program. The anticipated funding allocation to Seminole County resulted from the Presidential Disaster Declaration from Tropical Storm Fay of 2008.

Staff received notification that the grant was awarded to Seminole County in the amount of \$283,016.00 to purchase and install Florida Certified Large Missile Impact hurricane shutters on windows for the following seven (7) fire stations:

- Station #12 – 325 Douglas Ave., Altamonte Springs
- Station #14 – 600 Hattaway Dr., Altamonte Springs
- Station #16 – 930 Wekiva Springs Rd., Longwood
- Station #22 – 7122 US 17-92, Fern Park
- Station #23 – 4810 Howell Branch Rd., Winter Park
- Station #27 – 5280 Red Bug Rd., Casselberry
- Station #34 – 4905 West SR 46, Sanford

(The request for funding to purchase and install window shuttering for stations 35, 36, 41, 42, and 43 remains pending the availability of de-obligated program dollars.)

For the awarded funds to be received, the Board must approve and authorize the Chairman to

execute a grant agreement with FDEM. Such agreement is attached for consideration. Additionally, a budget amendment request (BAR) to allocate the funds is included in the Budget Division section of this agenda. The BAR details the project cost of \$377,355.00; which includes the federal/grant share of \$283,016.00 (75%), and county share of \$94,339.00 (25%) to be funded by the Fire Fund.

STAFF RECOMMENDATION:

Staff recommends that the Board approve and authorize the Chairman to execute a grant agreement with the Florida Division of Emergency Management in acceptance of \$283,016.00 through their Hazard Mitigation Grant Program.

The Recipient shall ensure that audit working papers are available to them upon request for a period of five years from the date the audit report is issued, unless extended in writing by the Division. In addition to reviews of audits conducted in accordance with paragraph (6) above, monitoring procedures may include, but not be limited to, on-site visits by Division staff, limited scope audits, and/or other procedures. The Recipient agrees to comply and cooperate with any monitoring procedures/processes deemed appropriate by the Division. In the event that the Division or the Department determines that a limited scope audit of the Recipient is appropriate, the Recipient agrees to comply with any additional instructions provided by the Division or the Department to the Recipient regarding such audit. The Recipient further agrees to comply and cooperate with any inspections, reviews, investigations or audits deemed necessary by the Florida Chief Financial Officer or Auditor General. In addition, the Division will monitor the performance and financial management by the Recipient throughout the contract term to ensure timely completion of all tasks.

Stat., agrees to be fully responsible for its negligent or tortious acts or omissions which result in claims or suits against the Division, and agrees to be liable for any damages proximately caused by the acts or omissions to the extent set forth in Section 768.28, Fla. Stat. Nothing herein is intended to serve as a waiver of sovereign immunity by any Recipient to which sovereign immunity applies. Nothing herein shall be construed as consent by a state agency or subdivision of the State of Florida to be sued by third parties in any matter arising out of any contract.

(10) DEFAULT

If any of the following events occur ("Events of Default"), all obligations on the part of the Division to make further payment of funds shall, if the Division elects, terminate and the Division has the option to exercise any of its remedies set forth in Paragraph (11). However, the Division may make payments or partial payments after any Events of Default without waiving the right to exercise such remedies, and without becoming liable to make any further payment:

(a) If any warranty or representation made by the Recipient in this Agreement or any previous

agreement with the Division is or becomes false or misleading in any respect, or if the Recipient fails to keep or perform any of the obligations, terms or covenants in this Agreement or any previous agreement with the Division and has not cured them in timely fashion, or is unable or unwilling to meet its obligations under this Agreement;

(b) If material adverse changes occur in the financial condition of the Recipient at any time during the term of this Agreement, and the Recipient fails to cure this adverse change within thirty days from the date written notice is sent by the Division.

(c) If any reports required by this Agreement have not been submitted to the Division or have been submitted with incorrect, incomplete or insufficient information;

(d) If the Recipient has failed to perform and complete on time any of its obligations under this Agreement.

(11) REMEDIES

If an Event of Default occurs, then the Division may, after thirty calendar days written notice to the Recipient and upon the Recipient's failure to cure within those thirty days, exercise any one or more of the following remedies, either concurrently or consecutively:

(a) Terminate this Agreement, provided that the Recipient is given at least thirty days prior written notice of the termination. The notice shall be effective when placed in the United States, first class mail, postage prepaid, by registered or certified mail-return receipt requested, to the address in paragraph (13) herein;

(b) Begin an appropriate legal or equitable action to enforce performance of this Agreement;

(c) Withhold or suspend payment of all or any part of a request for payment;

(d) Require that the Recipient refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

(e) Exercise any corrective or remedial actions, to include but not be limited to:

4. require the Recipient to reimburse the Division for the amount of costs incurred for any items determined to be ineligible;

(f) Exercise any other rights or remedies which may be available under law.

(g) Pursuing any of the above remedies will not stop the Division from pursuing any other remedies in this Agreement or provided at law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Recipient, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Recipient.

(12) TERMINATION

(a) The Division may terminate this Agreement for cause after thirty days written notice. Cause can include misuse of funds, fraud, lack of compliance with applicable rules, laws and regulations, failure to perform on time, and refusal by the Recipient to permit public access to any document, paper, letter, or other material subject to disclosure under Chapter 119, Fla. Stat., as amended.

(b) The Division may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds, by providing the Recipient with thirty calendar days prior written notice.

(c) The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

(d) In the event that this Agreement is terminated, the Recipient will not incur new obligations for the terminated portion of the Agreement after the Recipient has received the notification of termination. The Recipient will cancel as many outstanding obligations as possible. Costs incurred after receipt of the termination notice will be disallowed. The Recipient shall not be relieved of liability to the Division because of any breach of Agreement by the Recipient. The Division may, to the extent authorized by law, withhold payments to the Recipient for the purpose of set-off until the exact amount of damages due the Division from the Recipient is determined.
